## Consent Form for Off Site Visits

To enhance the curriculum it is of great benefit to us for children to take part in a variety of visits within walking distance of the school (not involving transport). Typical locations include local churches, woods, parks, footpaths, library etc.

Although we will always notify you of such visits, we would appreciate advance consent which will save us from issuing individual forms for each visit.

Please complete the form below, sign and date where shown and return to the class teacher via your child or to a member of school staff on the gate. Please also refer to the back of the form for the condition of use.

Name of Child: \_\_\_\_\_ Year: \_\_\_\_\_

I agree to my child taking part in a variety of curricular visits throughout the academic year to various locations within walking distance of the school, not involving transport.

I understand I will be given prior notice of all visits.
